

Announcement regarding the General Terms and Conditions of Account Opening and Maintenance at ING Bank Śląski S.A.

Valid from 10 December 2025

General principles of Effecting Payment Orders

Verification and authorization of a payment order submitted to the Bank is carried out by:

- 1) identifying the person submitting the instruction based on the person's current identity document,
- 2) verification of the authority of the person submitting the instruction on behalf of the Account Holder with the Bank's established rules of representation, including those specified in the System,
- 3) placing a handwritten signature by the person authorized to submit an instruction.

Principles of Effecting Domestic Payment Instructions

1. Outgoing

- 1) Domestic Payment Instructions in PLN submitted electronically to be settled within Poland (external payments) as well as internal transfers within ING Bank (without currency conversion) are effected – result in debiting the account – in real time (24 hours 7 days a week, hereinafter referred to as “24/7”). These rules do not apply to Payment Instructions submitted via the InsideBusiness and Access Channels, they are performed – they result in debiting the Payment Account – only on Business Days by 8:00 pm.
- 2) Domestic Payment instructions involving currency conversion submitted electronic are effected – result in debiting the account – by the cut-off times indicated below (not 24/7):

Principles of revocation of domestic Payment Orders

1. The Client may revoke the Payment Order submitted in the ING Business System, NG Business Mobile App and WebService only if:
 - 1) the revocation refers to a single domestic transfer, which satisfies the following conditions: it does not require currency conversion, it is not performed in real time, it is not a domestic Split Payment transfer and it is not a transfer to the Tax Office, the Social Insurance Institution or the Agricultural Social Insurance Fund, and
 - 2) the Bank verifies whether, in the performed settlement process, there is a technical [operational] possibility to revert the results of the submitted Payment Order.
2. Detailed terms and conditions of submitting instructions to cancel single Payment Orders in the ING Business System:

Transfer type – with the current performance date	When the transfer may be cancelled
Domestic ELIXIR transfer (not applicable to Split Payment transfers, transfers requiring currency conversion, transfers to accounts of the Tax Office, Social Insurance Institution and Agricultural Social Insurance Fund)	submitted for the 1st Elixir session , may be revoked by 9:00 on the transfer instruction day or by 9:00 on the next business day submitted for the 2nd Elixir session , may be revoked by 13:00 on the transfer instruction day submitted for the 3rd Elixir , may be revoked by 15:30 on the transfer instruction day

Domestic transfer settled in the Sorbnet2 system	submitted on a business day after 14:30, on Saturday, on Sunday or on a public holiday, may be revoked by 7:00 on the next business day
Express ELIXIR transfer (including Split Payment)	Revocation impossible
Internal transfer without currency conversion to accounts maintained at ING Bank	Revocation impossible

- If the revocation of the Payment Order is performed successfully, the bank account will be credited with the amount of the revoked payment order at the latest on the first business day, following the day when the instruction to revoke the Payment Order is submitted.
- The Bank reserves the right not to perform the instruction to revoke the transfer for the reasons beyond its control.

Principles of Effecting FX Payment Instructions

- For outgoing foreign currency Payment Instructions (external transfer) and to accounts at ING Bank (internal transfers):
 - Cut-Off Time for accepting Payment Instructions to debit the Client's account on the same Business Day. Payment Instructions submitted after the Cut-Off Time are deemed submitted on the following Business Day

Payment Instruction placement form	Payment Instruction type	Cut-off time
electronic	External FX transfer	by 17:00 on Business Days

4) Principles of Effecting FX Payment Instructions

- a) Payment order in EUR processed to the recipient bank operating in the Republic of Poland or in the territory of another Member Country or SEPA Country, settled in the SEPA (Single Euro Payments Area) system submitted by 14:00 ING Bank process for settlement on the same business day. The payment order is not treated as an urgent payment.
- b) For ING Bank to be able to effect a Payment Transaction the Client is obliged to provide the full scope of information in the payment order in accordance with the Regulations and additionally relevant information in the Payment Instruction. The information is specific to the country of destination:
 - for EUR payments to EU Member States- the bank account number of the recipient, in the IBAN format,
 - for Countries using the IBAN format – account number in this standard and BIC of the Beneficiary Bank,
 - for other countries, excluding countries indicated in “Restrictions for processing of Payment Instructions” item 3) – Beneficiary Account number and Beneficiary Bank BIC,
 - for the USA – BIC or the so-called FW/ABA number (nine-digit bank code identifying banks in the clearing systems in the USA) and full name of the beneficiary bank.
- c) Payment Instructions meeting the requirements referred to in item a) are treated as standard instructions sent for automatic clearing in the so-called STP mode.
- d) Should a Payment Instruction in the currency of one of the Member States be addressed to the Bank of the Beneficiary operating in the Republic of Poland or in the territory of another Member State or SEPA Member, it is necessary to provide the account number in the IBAN format.
- e) By placing a Payment Instruction expressed in renminbi currency (China), the Client authorises ING Bank to pass to the Beneficiary Bank any and all data and documents submitted by the Client, required for the instruction processing. Therefore, the Client undertakes to submit commercial documents to ING Bank, should they be required by the Beneficiary Bank.
- f) The Client may not revoke the submitted Payment Order from the moment ING Bank receives it.

5) Cut-Off Time for incoming FX Payment Instructions

ING Bank credits the Client's account with the received payments on Business Days, immediately after the funds are booked to ING Bank account subject to the clause 31 point 2 and 3 Of the Terms and Conditions	by 19:00

Principles of Payment Orders effected by Payment Service Providers and their agents on behalf of and for third parties

1. While ordering the execution of a Payment Order on behalf of and for third parties, Payment Service Providers and their agents (hereinafter: Payment Service Providers, or PSPs), acting in accordance with the following legal regulations:

- 1) Regulation (EU) 2015/847 of the European Parliament and of the Council of 20 May 2015 on information accompanying transfers of funds and repealing Regulation (EC) No 1781/2006, hereinafter the "Regulation",
- 2) "Counteracting Money Laundering and Terrorism Financing Act of 1 March 2018", hereinafter the "Act", and
- 3) "General Terms and Conditions of Opening and Maintaining Bank Accounts at ING Bank Śląski S.A.", §44, item 3, hereinafter the General Terms and Conditions,

have the duty to provide additional data:

- 1) the payer's and the payee's payment account numbers or the unique transaction identifier,
- 2) the name and surname/business name of the payer and of the payee,
- 3) additionally, in the case of the payer – the payer's address or official identification number; where the payer is a natural person, the address may be replaced by the date and place of birth or the official personal document number,

subject to the certain exclusions. In view of the above, we have introduced the following guidelines:

2. Payment Orders effected on behalf of:

Where the original payer is not the holder of bank account debited with the transfer amount but a third party on whose behalf the PSP effects a Payment Order, such a transaction is an outgoing transaction made on behalf of a third party.

Types of Payment Orders made on behalf of third parties:

- 1) where the information on the original payer should accompany the transfer of funds, hereinafter referred to as "POBO" (Payments on behalf of);
- 2) where the information on the third party does not accompany the transfer of funds because it is subject to exclusions set out in the Regulation or in the Act, hereinafter referred to as "POBO-X" (Payment on behalf of – Exception) – this also applies to liquidity management in regard to third party's funds.

Domestic transfers:

When ordering such a transaction (that is, an internal transfer, Elixir, Express Elixir, SORBNET), please give the required data in the field "payment details (payment description)", as per the table below.

FX transfers:

When ordering such a transaction (that is, an internal transfer, European SEPA, SWIFT, TARGET), you can use a dedicated field called "ultimate debtor" (where available) or field "50" in a SWIFT message. If you are unable to take advantage of the above method for completing the fields in the SEPA/SWIFT/TARGET message, please give the required data in the field "payment details (payment description)", as per the table below.

Type of transaction ordered from a PSP account with the bank on behalf of:				
Does the PSP maintain a payment account for the original payer?	POBO-X	POBO		
		where all PSPs are based in the EEA	where not all PSPs are based in EEA (<EUR 1,000)	where not all PSPs are based in EEA (≥EUR 1,000)*
YES, it does (payment account no. 5678)	/OPF/X/////	/OPF/AU/5678////	/OPF/AN/5678/John Smith///	/OPF/AN/5678/John Smith/1/New Street 1, Warsaw.PL/

* there are 4 types of required information:

1. the payer's address ending with a period and a two-character country code type ISO3166-1 alfa-2 (preceded by /1/);
2. the official personal document number (preceded by /2/);
3. the official identification number of the payer (preceded by /3/);
4. date and place of birth (preceded by /4/).

Choose one of the above required details and enter it in the field.

Additional information (free text) may be added after the required description.

In the above structure, there are always 7 system slash marks. Additional information (free text) may be added after the seventh slash Note! When giving additional information, do not use any additional slash mark.

3. Payment Orders effected for:

Where the ultimate payee is not the holder of bank account credited with the transfer amount but a third party on whose behalf PSP effects Payment Orders, such a transaction is an incoming transaction received for a third party.

Types of Payment Orders made in favour of third parties:

- 1) where the information on the ultimate payee should accompany the transfer of funds, hereinafter referred to as "COBO" (Collections on behalf of);
- 2) where the information on the third party does not accompany the transfer of funds because it is subject to exclusions set out in the Regulation or in the Act, hereinafter referred to as "COBO-X" (Collections on behalf of - Exception) - this also applies to liquidity management in regard to third party's funds.

Domestic transfers:

When ordering such a transaction (that is, an internal transfer, Elixir, Express Elixir, SORBNET), please give the required data in the field "payment details (payment description)", as per the table below.

FX transfers:

When ordering such a transaction (that is, an internal transfer, European SEPA, SWIFT, TARGET), you can use a dedicated field called "ultimate creditor" (where available) or field "50" in a SWIFT message. If you are unable to take advantage of the above method for completing the fields in the SEPA/SWIFT/TARGET message, please give the required data in the field "payment details (payment description)", as per the table below.

Type of transaction accepted at the PSP account with the bank for:				
Does the PSP maintain a payment account for the ultimate payee?	COBO-X	COBO		
		where all PSPs are based in the EEA	where not all PSPs are based in EEA (<EUR 1,000)	where not all PSPs are based in EEA (≥EUR 1,000)
YES, it does (payment account no. 5678)	/OPT/X/////	/OPT/AU/5678////	/OPT/AN/5678/John Smith///	
NO, it does not (unique transaction identifier 9876)		/OPT/IU/9876////	/OPT/IN/9876/John Smith///	

Additional information (free text) may be added after the required description.

In the above structure, there are always 7 system slash marks. Additional information (free text) may be added after the seventh slash Note! When giving additional information, do not use any additional slash mark.

4. Payment Orders effected on behalf of and for:

Where the outgoing transaction being ordered is a transaction effected on behalf of a third party and for a third party, then it is necessary to provide information concerning the original payer and the ultimate payee in line with the item and the table concerning payments on behalf of (POBO/POBO-X) and the item and the table concerning payments for (COBO/COBO-X).

When giving data in the field "payment details (payment description), the data concerning the original payer (POBO/POBO-X) should be separated from the details of the ultimate payee (COBO/COBO-X) with a slash mark. Additional information (free text) may be added after the required description.

In the above structure, there are always 14 system slash marks. Additional information (free text) may be added after the fourteenth slash Note! When giving additional information, do not use any additional slash mark.

5. Clarification of acronyms and symbols:

Tag	Definition	Description:
OPF	It means that the holder of bank account debited with the transfer amount is not the original payer. This is a transaction ordered "on behalf of" – ordered by an entity/a person other than the holder of the account being debited	Payment Organisation (From:)
OPT	It means that the holder of bank account credited with the transfer amount is not the ultimate payee. This is a transaction received "for" – received for an entity/a person other than the holder of the account being credited	Payment Organisation (To:)
X	The payer's data do not need to be supplied (because it is a transaction under an exclusion)	eXception
A	The transaction is made from/to the payment account kept by the PSP for the original payer/ultimate payee. The number of that account is given after the nearest slash mark.	Account
I	The transaction is not made from/to the payment account kept by the PSP for the original payer/ultimate payee. The unique identifier of that transaction is given after the nearest slash mark.	Identification number (ID)
U	Each one PSP is based within the EEA, that is why the details of the original payer/ultimate payee are abbreviated. Only the payment account number/ the unique transaction identifier (transaction ID) is given after the nearest slash mark.	Union/EU (more specifically: EEA)
N	At least one PSP is based outside the EEA, that is why the details of the original payer/ultimate payee are extended. The payment account number/ the unique transaction identifier (transaction ID) is given after the nearest slash mark, and the name and surname/business name of that original payer/ultimate payee are given after the following slash mark. In case of POBO – Where the EUR 1,000 threshold is exceeded, the flag of the type of the required data concerning the original payer is given after the next slash mark. The details of the original payer are given after the following slash mark, in line with the information below the table, in the section concerning POBO transfers. Where the EUR 1,000 threshold has not been exceeded, the data <u>may</u> also be given but it is not mandatory.	Non-EU (specifically: non-EEA)
